Aims and objectives

What do you wish to achieve by providing regulated activities?

How will your service help the people who use your services?

Please use the numbered bullet points:

1. To make available responsive, flexible and affordable services for people with learning disabilities who need them

2. To support individuals to overcome challenges and so live the best lives they can
3. To support individuals to push past low expectations and so achieve everything which is possible
4. To support individuals to balance taking risk with staying safe and so have rich experiences
5. To be a leader in innovation in service design so that individuals experience quality services with good outcomes
6. To be a leader in inclusiveness – by involving everyone so that individuals experience being fully included in and consulted about their service
7. To be a leader in transparency – by being open and honest in service planning and delivery so that individuals experience the benefit of constructive partnership working between this provider, commissioners and other agencies
